**THIS AGREEMENT** is made and entered into effective November 28<sup>th</sup>, 2023, by and between **THE HERTZ CORPORATION** hereinafter referred to as the “Employer” or “Company”, and **THE INTERNATIONAL BROTHERHOOD OF TEAMSTERS, LOCAL NO. 222**, hereinafter referred to as the “Union.”

**WITNESSETH:** In consideration of the mutual undertaking and agreement hereinafter set forth and other good and valuable considerations, it is hereby mutually agreed as follows:

### **ARTICLE 1 – UNION RECOGNITION AND MEMBERSHIP**

**1.01** During the term of this Agreement, the Employer hereby recognizes the Union as the sole and exclusive bargaining agent for all regular full-time and regular part-time Counter Sales Representatives & Flex Service Representatives employed by the Employer at Utah’s Salt Lake City International Airport, excluding all managers, supervisors, and guards as defined by the Act, and all other employees of The Hertz Corporation, regardless of brand, as set forth in the NLRB Certification of Representative issued on August 19, 2015 in Case No. 27-RC-155978.

For the purpose of promoting the interests of the parties hereto, this Agreement as to wages, hours and working conditions is entered into and shall be binding on the parties hereto from the date hereof until modified, changed or terminated as hereinafter provided.

**1.02** The Employer shall submit to the Union the names, addresses, phone numbers, wage rates and dates of hire for all new bargaining unit employees, including rehired employees, not later than ten (10) calendar days from their date of employment or reemployment.

**1.03** The Employer agrees not to enter into any other Agreement or contract with the employees covered by this Agreement, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement.

**1.04** Authorized Union representatives shall, upon providing reasonable advance notification to the Employer, have access to the Employer's place(s) of business during hours in which the employees are working for the purpose of adjusting grievances, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided work schedules and the efficiency of operations are not otherwise disrupted.

**1.05** The Employer shall give full consideration to candidates referred to the Company for employment, but the Employer shall not be required to hire any such referrals.

**1.06** The Employer shall provide the Union with a bulletin board at an employee accessible location designated by the Company for the purpose of posting notices regarding Union meetings and other similar Union matters directly relating to employees of the bargaining unit. Such postings will not be inflammatory or derogatory towards the Employer.

### **ARTICLE 2 – CHECK OFF**

**2.01** The Employer agrees to deduct membership dues initiation fees and/or uniform assessments

of the Local Union from the wages of those employees who shall individually and voluntarily authorize the Employer, in writing, on forms issued by the Union to make such deductions, which shall be forwarded to the Union before the twentieth (20<sup>th</sup>) day of each month for which the deduction is made.

The Employer's obligations to make deductions as specified herein shall terminate upon expiration of this Agreement or in the event of an employee's written revocation of authorization as provided for by its terms.

**2.02** The Union shall indemnify and save the Company harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken by the Company in reliance upon signed authorization cards furnished to the Company by the Union or for complying with any provisions of this Article.

**2.03 D.R.I.V.E.** The Employer agrees to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to Democratic Republican Independent Voter Education (DRIVE). DRIVE shall notify the Employer of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on each pay period during the month. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage. The Employer shall transmit to D.R.I.V.E. National Headquarters on a monthly basis and in one check, the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's social security number and the amount deducted from the employee's paycheck. The International Brotherhood of Teamsters shall reimburse the Employer annually for the Employer's actual cost for the expenses incurred in administering the payroll deduction plan. In the event the Employer and the International are unable to reach agreement on the cost for reimbursement, this Section shall be null and void.

The Union agrees to hold the Employer harmless from loss from any judgment of a court of competent jurisdiction and from any order of the Labor Board or agency of the government in connection with or arising out of any deduction made pursuant to this agreement.

**2.04 Direct Deposit:** The Employer will deduct and remit to the desired credit union/banking institution of choice from any bargaining unit employee who desires and signs an authorization form for said deduction.

### **ARTICLE 3 – SENIORITY**

**3.01** Seniority prevails after ninety (90) calendar days and shall revert back to date of hire or transfer into the bargaining unit from another Company location. Probation prevails prior thereto and probationary employees may be discharged with or without cause and shall have no recourse to the grievance and arbitration procedure of this Agreement. Upon mutual consent by the Union Business Agent and the Employer, prior to the expiration of the initial ninety (90) day probationary period, the probationary period may be extended an additional thirty (30) calendar days.

**3.02** Classification seniority rights shall prevail from the date of entry to the classification with respect to layoff, recall, shift bidding, overtime and vacation preference bidding, except as may be

otherwise provided for in this Agreement. Classifications are all regular full and part-time Counter Sales Representatives and Flex Service Representatives. Flex Service Representatives shall have one seniority list and Counter Sales Representatives shall maintain a separate seniority list.

Pertaining to Flex Service Representatives; job selection, positions or movement within any daily shift within the day, shall be offered according to seniority within any particular shift. Employees within the Flex classification shall be assigned to work in Gold, Exit Gate and Instant Return. Flex Service Representatives may be assigned to work the counter as requested by Management. When FSR is requested to work the counter, volunteers will be requested. When no volunteers are available, reassignment to the counter will be based on seniority.

**3.02.01** The need for voluntary time off (VTO) shall be determined at the sole discretion of the Company and (VTO) will be offered by seniority on the shift within the classification VTO is available. For the purpose of VTO, Counter Sales Representatives and Flex Service Representatives shall be considered separate classifications.

**3.03** All job vacancies in classifications covered by this Agreement that the Employer elects to fill shall be posted on a bulletin board and electronically for a minimum of seventy-two hours in order that interested employees can apply for the positions. Job awards shall be on the basis of qualifications and skills to perform the work as determined by the Company. In the event two or more employees are determined to be equally qualified, the length of continuous service with the Company shall govern. In the absence of a qualified internal candidate, the Company reserves the right to recruit externally for qualified candidates.

**3.03.01** Upon written request by the Union, the Employer shall provide the Union a list of all current employees within each job classification covered under this Agreement including employee name, date of hire, address, phone number, job classification, wage rate and employee ID number.

**3.04 Seniority Lists:** Current seniority lists and shift schedules shall be maintained and posted at a designated Company location. The Union shall be furnished such lists at least every six (6) months or upon demand. Any protest to the seniority list and/or shift schedules must be made in writing, with a copy to the Employer and the Union, within thirty (30) days from the date of posting. In the event no protest is made, the seniority list, as posted, shall be considered correct and final.

**3.05** The Employer has the sole right to establish all shift schedules to include starting and quitting times and days off, except as otherwise provided for in this Agreement. The Employer shall post for bid by work classification the shift schedule(s) on a frequency determined by business needs, but not less than two (2) each year. Postings shall be for a period of seven (7) consecutive calendar days. At the termination of this seven (7) calendar day period, all employees shall commence the bidding procedure which must be completed within an additional fourteen (14) calendar days. After completion of the bidding procedure, the Employer shall implement the new schedule at the beginning of the next work week. Selections shall be made on the basis of the employees' qualifications, skills to perform the job, and seniority as determined by the Company. In the event two or more employees are determined to be equally qualified, the length of continuous service

with the Company shall govern. Designated "leads" will bid for a shift with other Leads in his or her classification on the terms and conditions set forth herein.

**3.06.01 Layoff:** Layoffs will be made by inverse job seniority order. In case of layoff, temporary, probationary, and part-time employees shall first be laid off in the order listed. Should a further layoff become necessary, the last employee on the classification seniority list shall be the first employee laid off and the layoffs shall continue in that order, provided that such remaining employees are qualified to do the work of the employee with lesser seniority.

**3.06.02 Recall:** In case of recall, employees are to be returned to employment in the reverse order in which they were laid off providing they are qualified to perform the work. Any employee who has been given a letter of layoff shall be provided with ten (10) calendar days' written notice of recall by certified mail to his last known address on file with the Employer, with a copy sent to the Union. Employees who fail to make themselves available for work at the end of said ten (10) calendar days after receipt of recall notification shall lose all seniority rights unless otherwise agreed to in writing on a case-by-case basis by the Employer and the Union.

**3.07 Loss of Seniority:** Seniority shall be lost for any of the following reasons:

- (a) Voluntary quit.
- (b) Retirement.
- (c) Voluntary termination or termination for just cause.
- (d) Layoff in excess of one (1) year or length of service, whichever is less.
- (e) Failure to report for work as scheduled without notification for three (3) consecutive scheduled workdays, unless circumstances made notification impossible.
- (f) Failure to return from layoff as stated in Section 3.06 above, or failure to return from a leave of absence.
- (g) Notwithstanding "d" above, any absence of twelve (12) consecutive months unless otherwise precluded by law and/or in the event of an occupational injury for which the injured employee has not been released to return to work prior to a final disposition of the case under applicable Workers' Compensation law.

#### **ARTICLE 4 – NON-DISCRIMINATION AND NON-HARASSMENT**

**4.01** The Employer and the Union agree that neither will discriminate or harass either directly or indirectly against any employee by reason of race, creed, color, age, religion, sex, gender identity, or sexual orientation, non-disqualifying physical or mental disability, marital or veteran status, or membership or activity in the Union or any other status protected under local, State or federal law.

**4.02** The use of the masculine gender in this Agreement shall include all genders.

#### **ARTICLE 5 – NON-BARGAINING UNIT EMPLOYEES**

**5.01** Nothing within the confines of this Agreement, including side letters or memoranda of agreement, prevents the Employer from utilizing non-bargaining unit employees (supervisors, managers, or other non-bargaining sources) to perform work to assist the bargaining unit personnel

in the performance of their duties or when customer service requires. Further, the duties and tasks regularly carried out by bargaining unit employees will not be assigned or performed by employees not covered by this Agreement except in the case of emergencies, training, peak periods, unanticipated demand, and/or the unavailability of bargaining unit employees due to reasons such as a short term leave of absence, vacation, or sickness.

**5.02** The performance of bargaining unit work by non-bargaining unit personnel shall not result in the layoff of any bargaining unit employees.

#### **ARTICLE 6 – LEAVES OF ABSENCE, BEREAVEMENT, AND SICK DAYS**

**6.01 FMLA Leave:** The Company will follow and comply with all requirements under the Federal Family and Medical Leave Act (FMLA) of 1993 as amended.

**6.01.01** Employees eligible under 6.01 of this Article may choose to extend a leave of absence taken pursuant to the FMLA for a period not to exceed forty-five (45) calendar days following the end of approved leave under the FMLA. It is specifically understood that this additional leave period is not subject to the requirements of the FMLA and that the Employer is not required to maintain health insurance coverage during the extended leave period. Employees must request the extension of this leave under this provision prior to the exhaustion of the initial approved FMLA leave period.

**6.1 Personal Leave:** A bargaining unit employee may request an unpaid leave of absence for up to six (6) months. An employee requesting a personal leave of absence shall present such request in writing to management at least thirty (30) calendar days prior to the requested leave start date, except in the event of an emergency such request shall be made as soon as reasonably practicable. The written request will include a statement of the reason(s) for the request. Personal leaves of absence will be granted at the Employer's discretion and notification shall be provided to the requesting employee and the Union.

**6.1.01** All personal leaves of absence shall be unpaid and shall commence upon the exhaustion of available sick leave, vacation and floating holidays. Employees shall be responsible for the full cost of any health and welfare premiums for any leave of a month or longer duration. Employees on a personal leave of absence shall continue to accrue seniority during the leave period.

**6.2 Military Reserve Service:** A maximum of fifteen (15) days of military reserve leave will be granted annually to employees who are required to attend active duty military training. The Company will pay the difference between the amount received for such service and the amount of straight time pay an employee would have received had it not been for such service, providing the employee had six (6) or more months' company service at the time the military service commenced and the employee provides the Company a copy of his or her orders upon being informed of his or her training camp dates.

**6.2.01 Active Military Leave:** Any employee on the seniority list serving in the Armed Forces for thirty (30) days or more under the provisions of the Uniformed Services Employment and Reemployment Rights Act (USERRA) of 1994 as amended (or any Federal Selective Service

Training Statute and amendments thereto, or any similar act in time of National Emergency), shall upon termination of such service be re-employed in line with his seniority, at the then current rate of such work, provided he has not been dishonorably discharged from such service with the United States Government and is physically able to do work available, and further provided he reports for work within ninety (90) days of the date he is discharged from such service with the United States Government.

**6.2.03** Upon notification from an employee that he/she is taking USERRA-qualified military leave, the Employer shall notify the Local Union within ten (10) business days.

**6.3 Union Leave:** Upon no less than ten (10) working days' written notice, the Employer shall grant an unpaid leave for an employee with seniority to serve on Union business, pursuant to Union instructions, without discrimination or loss of seniority or fringe benefits protection, not to exceed ten (10) working days each calendar year, excluding contract negotiations. The notice shall specify length of time off requested. No more than one (1) employee will be permitted on such leave at the same time, excluding contract negotiations for which no more than two (2) employees will be permitted on such unpaid leave unless business conditions allow for more. The Union agrees that such time off request shall not be exercised to the detriment or disruption of the operation of the business.

**6.4 Bereavement Leave:** In the event a regular, non-probationary full-time employee is required to be absent on a regularly scheduled work day as a result of a death in the immediate family, he/she shall be granted time off with pay not to exceed five (5) scheduled work days to be used within two weeks from the day of death, for time lost, for the purpose of bereavement. For employees wishing to take bereavement for a memorial service occurring at a later time than immediately after death, such time may be taken within six (6) months following the death as long as the employee informs the Employer of the service and desire to take time at the time of death or within seven (7) days of such death and provides proof of service. With proper notification to management, the employee may split the allotted bereavement leave. The Employer may require proof of death and relationship before making such payment.

"Immediate family" is defined as the employee's current spouse, qualified domestic partner, children (including stepchildren and those legally adopted), grandchildren, brother and sisters, current brother-in-law and current sister-in-law, parents, grandparents, and current mother-in-law and father in-law.

**6.4.01** Bereavement pay will not be treated as hours of work for purpose of overtime calculations.

**6.5 Sick Days:** Regular, full-time employees shall be eligible to receive ten (10) paid sick days upon completion of one (1) continuous year of employment to be prorated the year in which the one (1) year anniversary is reached. Thereafter, commencing each January 1<sup>st</sup> sick day eligibility shall be for ten (10) days each calendar year.

**6.5.01** Unused sick days for any given calendar year will be cashed out in January at straight time no later than the second payroll period to eligible employees on the payroll at the time payments are made. For those employees who have not used any of their allotted sick leave by December

31<sup>st</sup> of any calendar year, the cash out payment shall be at one hundred and fifty percent (150%) of the value of the allotted sick leave. Any use of sick pay will void the one hundred and fifty percent (150%) premium payment.

**6.5.02** Sick pay may be used commencing on the first day of illness. Sick pay may be used in hourly increments. The Company reserves the right to request and receive a doctor's certification of illness or injury after an absence of three (3) or more consecutive days.

**6.5.03** Sick days may be taken as personal days subject to the same scheduling and approval process set forth for floating holidays in 13.01 of this Agreement. Personal days so scheduled and approved shall not be counted as an occurrence under the Company's Attendance Policy or nullify the time and one-half (1½x) cash out rate of unused sick leave, if any.

**6.5.04** Paid sick days will not be treated as hours of work for purpose of overtime calculations.

**6.5.05** Notwithstanding 6.5.01 above, any eligible employee or as applicable, an employee's estate, who terminates employment by way of retirement, permanent disability or death, shall qualify for unused sick leave payment on a pro-rated, straight time pay basis. Pro rata sick leave shall be computed on the basis of each completed calendar month of service or major fraction thereof.

#### **ARTICLE 7 – NO STRIKE, NO LOCKOUT**

**7.01** During the life of this Agreement, no strikes or work stoppages shall be caused or sanctioned by the Union, no employee shall engage in any strike, sympathy strike, picketing, slowdown or stoppage of work either complete or partial and no lockouts shall be entered upon by the Employer. Any action of the Employer in closing facilities during a general strike, terroristic act, riot, or civil commotion, for the protection of facilities and property, will not be deemed a lockout.

**7.02** It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an employee refuses to enter upon any property of any company involved in a lawful primary labor dispute or refuses to go through and work behind any lawful primary picket line, including the lawful primary picket line of the Unions party to this Agreement and lawful primary picket lines at the Employer's places of business.

**7.03** An employee who brings about or participates in an illegal strike or a work stoppage as set forth herein will be dismissed and his employment terminated.

#### **ARTICLE 8 – WORKDAY, WORK WEEK & OVERTIME**

**8.01** The regular work week normally consists of forty (40) hours of work comprised of five (5) eight (8) hour consecutive days, provided work is available, inclusive of a paid thirty (30) minute meal period. There shall be no split shifts unless except by mutual agreement.

In the event of overtime, each employee shall receive an additional paid rest period of fifteen (15) minutes for every four (4) hours of work to be taken before the completion of the third hour of each four (4) hour work period. Employees are cautioned against lunch and break abuses. Work

schedules are subject to periodic change based on variations in staffing needs and operational needs.

**8.01.1** The Company may, at its discretion, implement a 4 day/10-hour work schedule, which will be bid in accordance with the shift bidding requirements set forth in Article (3). Should the Company implement a 4 day/10-hour work schedule, overtime will be paid after 10 hours worked in a day or 40 hours worked in any one payroll week.

**8.02** Employees are required to “sign in” at the beginning of the shift and “sign out” at the end of the shift. Likewise, employees are required to “clock in” and “clock out” at the beginning and end of each meal period.

**8.03 Starting Time:** The established starting time of any employee shall not be changed without at least one (1) weeks’ notice unless such notice is waived by mutual agreement of the parties. Any permanent change to an employee’s start time will allow said employee to bump any less senior employee from their start time providing he or she possesses the necessary qualifications.

**8.04 Overtime:** Employees will be paid one and one-half (1½x) times the base hourly rate for all hours worked in excess of eight (8) in a workday or forty (40) in the work week. Time paid but not worked (e.g., holidays, vacation, sick/personal days, bereavement, jury duty, work injury) will not be counted as time worked for the purpose of calculating overtime. Overtime and premium pay provisions of this Agreement will not be combined or paid “on top of” each other to determine pay. The period of Friday through Thursday shall be considered the regular work week for pay purposes including overtime calculations.

**8.05** Probationary employees shall not be subject to mandatory overtime for the first ninety (90) calendar days of employment. All overtime will be offered by classification seniority within the classification needing overtime. Employees can volunteer by seniority. If insufficient numbers volunteer, the Employer may force employees by inverse order of seniority, i.e. offer from the top, force from the bottom, as outlined in the overtime assignment order below.

No full-time employee will be required to work more than three (3) hours of mandatory overtime in conjunction with their regular scheduled shift or eight (8) hours on a regular scheduled day off. Employees shall be notified of mandatory overtime no less than two (2) hours prior to the end of his or her shift except in emergencies.

Classifications and Separate Seniority Lists – Employees shall have seniority in one of the following classifications, on one of the following separate seniority lists, which shall be recognized as Seniority List No.1, and Seniority List No. 2.

Seniority List No. 1: Customer Sales Reps

Seniority List No. 2: Flex Service Reps (IR, Exit, Gold, Greeter)

Overtime Administration – Overtime shall be administered by seniority by job classification.

	<b>Classification and List</b>	<b>Overtime Assignment Order</b>
<u>List No. 1</u>	Counter Sales Reps	1) Volunteers from List 1 2) Volunteers from List 2 3) Mandatory from List 1 4) Mandatory from List 2
<u>List No. 2</u>	Flex Service Reps (IR, Exit, Gold, Greeter)	1) Volunteers from List 2 2) Volunteers from List 1 3) Mandatory from List 2 4) Mandatory from List 1

Employees within either job classification covered under this Collective Bargaining Agreement will not be denied an opportunity to work posted overtime hours when a 3<sup>rd</sup> party vendor is being used to supplement staffing for the posted hours in their work area.

**8.06** Employees shall notify management at the beginning of each shift if they are unavailable to work overtime. Such notification, however, shall not preclude the Company from assigning overtime per 8.06 above.

**8.07** If overtime needs require calling an employee in early on a regular shift, he shall be called in with reasonable notice no less than two (2) hours, for a minimum of two (2) hours of work prior to his regular start time. All hours worked prior to regular bid start time shall be paid at the applicable overtime rate.

**8.08** Any employee called and reporting for duty on his/her scheduled day off or at a time outside his/her regular work shift shall be guaranteed at least four (4) consecutive hours of work or four (4) hours' pay in lieu thereof at the applicable overtime rate unless, by mutual agreement he/she leaves prior to the expiration of four (4) hours.

**8.09** Notwithstanding 8.08-8.09 above, it is understood and agreed that in the event hours of work unexpectedly become available, the Company maintains its right to cover such hours with the most senior qualified employee from the bargaining unit who is available on straight-time.

**8.10** Any employee who reports fit for work on his/her regular shift who does not work any or part of his/her shift due to lack of work will be paid for unworked scheduled hours (up to eight (8) hours' pay) at their regular rate of pay unless the lack of work was caused by an act of God or emergency.

**8.11 On The Job Injuries:** Any employee who is injured during the course of his day's employment shall be paid for unworked scheduled hours (up to eight (8) hours' pay) at his regular rate of pay provided he ceases work for that day to be seen by a physician designated by the Employer.

## ARTICLE 9 – STEWARDS

**9.01 Recognition:** The Employer recognizes the right of the Union to designate a shop steward from the Employer's seniority list. The authority of the shop steward so designated by the Union shall be limited to and shall not exceed the following duties and activities:

- A. The investigation and presentation of grievances to the Employer or the designated Employer representative in accordance with the provisions of this Collective Bargaining Agreement. Stewards and/or Business Agents may attend disciplinary meetings between supervision and an employee upon the request of the employee.

**9.02 Authority:** The Shop Steward has no authority to take strike action, or any other action interrupting the Employer's business except as authorized by official action of the Union.

**9.03 Limitation:** The Employer recognizes these limitations upon the authority of the Shop Steward, and shall not hold the Union liable for any unauthorized acts.

**9.04 Release:** When the Union requests Shop Stewards to be relieved of his duties to attend Union Meetings, etc., such requests will be made to the Location Manager or Area Manager at least 24 hours in advance, and such permission will not unreasonably be withheld.

**9.05 Paid for Time:** Shop Stewards will be paid for time lost from their regularly scheduled forty (40) hour work week when attending meetings with a member of management.

**9.06 Representation:** Stewards will be allowed a reasonable amount of time to review grievance issues with employees with the approval of management. Management will not unreasonably refuse such requests.

## ARTICLE 10 – DISCIPLINE

- 1. Written Warning
- 2. Final Warning
- 3. Discharge

Written warnings for attendance will expire after nine (9) months and all other written warnings will expire after twelve (12) months.

**10.02** Warning notices will be issued in writing to employees, with copies to the Business Agent of the Local Union and the steward, on a timely basis but not later than fourteen (14) calendar days of the date of the occurrence for which the action is being taken or fourteen (14) calendar days after the Company becomes aware of the occurrence for which the action is being taken. Said warning notices shall be by hand delivery, or email. Written warnings will expire after twelve (12) months if no other related offenses are incurred (e.g., attendance, safety, unprofessional conduct).

No warning notice need be given in the case of serious and egregious misconduct exemplified but not necessarily limited to the following; dishonesty, sleeping on the job being in possession of, trafficking in, or under the influence of alcoholic beverages, narcotics, illegal drugs, recreational marijuana, illegal substances, or abuse of prescription drugs while on duty and/or on Company premises, failure to maintain a valid driver's license as applicable to their job duties, failure to promptly report any accident which has resulted in personal injury or property damage, willful destruction of Employer's or public property or property of fellow employees, accessing confidential Company customer information for personal gain, reckless driving, willful refusal to carry out a direct order of a manager or supervisor, unauthorized possession of firearms or explosives on Company property, permitting unauthorized persons to ride and/or drive the Employers vehicle, using an Employer's vehicle for personal use without permission or falsification of an employment application, fighting, threatening or provoking violence in the workplace on or off premises in view of the workplace, and harassment (sexual, verbal, physical).

**10.03** Protest of any written warning, suspension or discharge of a regular employee shall be through the grievance and arbitration procedure of this Agreement unless such protest is expressly prohibited. Notice of appeal from any written warning, suspension or discharge must be made to the Employer in writing by hand delivery or email within fourteen (14) calendar days from the date of issuance of the discipline by the Business Agent of the Local Union, the steward or the employee.

**10.04** Any employee discharged must be paid in full for all wages owed him or her by the Employer, including earned vacation pay, if any, no later than the next regularly scheduled payday or as mandated by state law, whichever timeframe is less. All Company property will be returned immediately, but in no event later than seventy-two (72) hours after the discharge.

**10.05 Personnel Files:** Employees may, upon advance notice to the General Manager or Human Resources Business Partner, review their personnel folder.

## **ARTICLE 11 – GRIEVANCE AND ARBITRATION PROCEDURE**

**11.01** A grievance is an alleged violation or an issue of interpretation or application of this Agreement.

**11.02 STEP ONE:** Any employee having a grievance shall bring it up through his or her Shop Steward to the immediate supervisor and/or Human Resources within ten (10) calendar days of the

alleged violation or knowledge thereof, and the parties shall attempt to resolve the grievance informally.

**11.03 STEP TWO:** If a resolution is not reached in Step One, the grievance shall be reduced to writing and submitted to the immediate supervisor within ten (10) calendar days of the supervisor's Step One response. In turn, the supervisor will give his written response, with copies emailed or hand delivered to the employee and Business Agent of the Local Union, within ten (10) calendar days of receipt of the grievance.

**11.04 STEP THREE:** If the grievance is not resolved in Step Two and the Union wishes to pursue the grievance, it shall be presented by the Local Union Business Agent to the General Manager or his or her designated representative in writing within ten (10) calendar days of the supervisor's response.
