RAIL TERMINAL SERVICES
MASTER AND INTERMODAL CONTRACT

This Agreement entered into this 1st day of April 2025 between RAIL TERMINAL SERVICES, (hereinafter referred to as "the Employer") and TEAMSTERS UNION LOCALS 222, 439, AND 763, (hereinafter referred to collectively as "the Union") is the entire contract between the parties.

SECTION 1 - RECOGNITION

1.1 The Employer recognizes the Union as the exclusive representative for collective bargaining purposes of all drivers, mechanics, and ramp employees employed by the Employer at it's three (3) western states operations, excluding office clerical, checkpoint employees, yard check employees, confidential employees, guards and supervisors as defined in the National Labor Relations Act.

1.2 The employees covered under this Agreement shall constitute a single bargaining unit. This Agreement applies to all intermodal operations of the Employer and shall be applied to all subsequent additions to and extensions of current operations and newly established intermodal terminals obtained by the Employer.

1.3 In the event any dispute shall arise between Local Unions relating to jurisdiction over employees or operations covered by this Agreement, the Employer and the Local Unions agree to accept and comply with the decision or settlement of the appropriate Joint Council which shall have the authority to determine such disputes. Pending such determination, the Unions party hereto shall not engage in any picketing, work stoppages or slowdowns in furtherance of such jurisdictional disputes. In the event of such work stoppages or picketing, the Employer may obtain state court injunctive relief. The Union shall not seek to remove any such state court action into federal court and shall stipulate to the issuance of an appropriate injunction.

1.4 If during the term of this contract (or any extension thereof) the Employer is awarded a contract by a railroad to operate an intermodal ramp in whole or in part within the geographical area of the Western Conference of Teamsters, the Employer shall immediately notify the signatory unions of said fact. The Employer further agrees it will not interfere in any respect with the efforts of the signatory Union(s) to organize the employees at the said intermodal ramp. When a majority of eligible employees of the Employer performing work at said intermodal ramp execute a card authorizing a signatory Union to represent them, recognition shall be granted and the employees shall automatically be covered by this Agreement and any applicable supplement or amendment thereto.

1.5 Supervisors or other non-bargaining unit personnel of the Employer will not be used to augment the Employer's work force for the purpose of avoiding payment of overtime or to eliminate the use of bargaining unit personnel. However, supervisors or non-bargaining unit employees of the Employer may perform bargaining unit work in conjunction with the on-the-job training or as the result of emergencies where the Employer is unable to first secure an adequate number of employees to perform the work.

1.6 Whenever the words "employee" or "employees" are used in this Agreement, they designate only such employees as are covered by this Agreement. Whenever in this Agreement, employees or jobs are referred to in the male gender, it will be recognized as referring to both male and female employees.

1.7 Transfer of Company Title or Interest

The Employer's obligations under this Agreement including supplements shall be binding upon it's successors, administrators, executors and assigns. The Employer agrees the obligations of this Agreement shall be included in

the Agreement of sale, transfer or assignment of the business. In the event an entire active or inactive operation, or a portion thereof, or rights only, are sold, leased, transferred or taken over by sale, transfer, lease, assignment, receivership or bankruptcy proceedings, such operation or use of rights shall continue to be subject to the terms and conditions of this Agreement for the life thereof. Transactions covered by this provision include stock sales or exchanges, mergers, consolidation, spin-offs or any other method by which a business is transferred.

It is understood by this section that the signatory Employer shall not sell, lease or transfer such run or runs or rights to a third party to evade this Agreement. In the event the Employer fails to require the purchaser, transferee, or lessee to assume the obligations of this Agreement, as set forth above, the Employer (including partners thereof) shall be liable to the Local Union(s) and to the employees covered for all damages sustained as a result of such failure to require the assumption of the terms of this Agreement until its expiration date, but shall not be liable after the purchaser, the transferee or lessee has agreed to assume the obligations of this Agreement. The obligations set forth above shall not apply in the event of the sale, lease or transfer of a portion of the rights comprising less than all of the signatory Employer's rights to a nonsignatory company unless the purpose is to evade this Agreement. Corporate reorganizations by a signatory Employer, occurring during the term of this Agreement, shall not relieve the signatory Employer or the re-organized Employer of the obligations of this Agreement during its term.

When a signatory to this Agreement purchases rights from another signatory, the provisions of Article 5 of the National Master Freight Agreement shall apply. The applicable layoff provisions of this Agreement shall apply.

The Employer shall give notice of the existence of this Agreement to any purchaser, transferee, lessee, assignee, or other entity involved in the sale, merger, consolidation, acquisition, transfer, spin-off, lease or other transaction by which the operation covered by this Agreement or any part thereof, including rights only, may be transferred. Such notice shall be in writing, with a copy to the Local Union, at the time the seller, transferor or lessor makes the purchase and sale negotiation known to the public or executes a contract or transaction as herein described, whichever first occurs. The Local Union shall also be advised of the exact nature to the transaction, not including the financial details.

The term rights shall include routes and runs.

SECTION 2 - UNION SECURITY AND HIRING

2.1 All current non-probationary employees covered by this Agreement, who are members of the Union on the effective date of this Agreement shall remain members of the Union in good standing. Those employees who are not members on the effective date of this Agreement shall, on the thirty-first (31st) day following the effective date of this Agreement, become and remain members in good standing as a condition of continued employment. All employees hired after the effective date of this Agreement, covered by this Agreement and having passed their probationary period, shall on the thirty-first (31st) day following the commencement of employment become and remain members in good standing in the Union as a condition of continued employment.

2.2 Nothing in this Agreement shall require an employee to become a member of the Union if such membership is not available to such employee upon the same terms and conditions generally applicable to any other member, or to remain a member if their membership is terminated for any reason other than failure of the employee to tender uniform dues and fees required as a condition of retaining membership in the Union.

2.3 Upon written notice from the Union of the failure on the part of any individual to complete membership in the Union by means of failure to continue payment of dues and fees to the Union, the Employer shall, within seven (7) days of receipt of such notice, remove said employee from the work schedule until the employee meets the obligations contained herein. All such employees must supply a clearance from the Union before they will be allowed to return to work.

2.4 When new or additional employees are needed at existing facilities or any new facility, the Employer shall give the Local Union equal opportunity with all other sources to provide suitable applicants.

Selection of applicants for referral to jobs by the Union or Unions must be made on a non-discriminatory basis which is in no way affected by Union membership, By-laws, rules, policies or requirements, and such referral procedures shall comply with the National Labor Relations Act, as amended. The Employer will not be required to hire applicants referred by the various Local Unions, but will give these applicants due consideration.

If the Employer hires persons other than those referred by the Union(s), it shall advise the appropriate Local Union within five (5) working days after such person is hired as to the name, address, social security number, date of hire, classification, and rate of pay of such employee.

2.5 The Employer shall deduct from the wages of each employee covered by this Agreement, who executes and delivers a written authorization in the form approved by the Union, periodic dues and initiation fees as established by the Union. The total amount of said deduction(s) shall be transmitted by the Employer to the Union within ten (10) days, accompanied by a list of employees for whom such deductions are made. The Union shall submit a list of employees for whom the deductions are to be made along with a reference to the amount of periodic dues and initiation fees to be paid. These deductions shall be made on the first payday of each month, but if an employee does not receive a paycheck at that time, the deduction shall be made from the next succeeding paycheck of the employee.

A. The Employer shall also deduct from the wages of each employee covered by this Agreement, who executes and delivers a written authorization in the form approved by the Union, voluntary contributions to D.R.I.V.E. D.R.I.V.E. shall notify the Employer of the amounts designated by each contributing employee that are to be deducted from their wages on a weekly basis for all weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage. The Employer shall transmit to D.R.I.V.E. national headquarters on a monthly basis, in one (1) check, the total amount deducted, along with the name of each employee on whose behalf a deduction is made, the employee's social security number, and the amount deducted from the employee's wages. The International Brotherhood of Teamsters shall reimburse the Employer annually for the Employer's actual cost for the expenses incurred in administering the weekly payroll deduction plan.

B. The Union agrees to save and hold the Employer harmless from any claim, damages, or suits arising out of or by reason of enforcement of these union security provisions.

SECTION 3 - MANAGEMENT RIGHTS AND NO DISCRIMINATION

3.1 Management Rights

The operation and management of the facility and the direction of the work force is exclusively vested in the Employer. These rights include, but are not limited to, the hiring of employees, discipline, discharge for just cause, promotion, transfer, layoff, expand or diminish services, establish work schedules and assign work by seniority. The exercise of the Employer's management rights shall not conflict with any other provision of this Agreement. The Employer may not unilaterally subcontract any work currently being performed and covered by this Agreement. This is not intended to include any work the Employer does not control.

3.2 It is understood if Rail Terminal Services bids upon and is awarded contracts by railroads or other entities for the performance of services covered by this Agreement, the decision to bid upon an existing or potentially new operation rests solely with the Employer.

3.3 The Employer and the Union agree not to discriminate in any way whatsoever in employment, transfers, promotions, layoffs, rehiring, or other conditions of employment or representation by reason of race, creed, color, age, sex or sexual preference, national origin, religious or political beliefs, or any other protected class of employee, membership or non-membership in the Union, or for union activities. There shall be no sexual harassment.

3.4 Any employee, member of the Union, acting in any official capacity whatsoever shall not be discriminated against for their acts as such officer of the Union, so long as the acts do not interfere with the conduct of the Employer's business, nor shall there be any discrimination against any employee because of Union membership or activities.

SECTION 4 - UNION REPRESENTATION

4.1 Authorized representatives of the Union shall be allowed to visit the Employer's facility for the purpose of ascertaining whether or not this Agreement is being observed. The authorized representative of the Union shall at any time be allowed on the Employer's facility. It is agreed said visits shall be accomplished so as to minimize interference with or disruption of the work force or the work of any individual employee. Prior to commencement of any such visit, the Union representative involved will inform the Terminal Manager of their presence at the facility.

4.2 The Union may designate stewards to take up grievances with the Employer.

A. The authority of said shop stewards shall be limited to, and shall not exceed, the following duties and activities:

1. Investigation and presentation of grievances with the Employer in accordance with the provisions of the collective bargaining Agreement;
2. Check the dues books or cards of other employees, and the referral slips of all new employees;
3. Transmit such messages and information originating with, and authorized by, the Union or its officers, provided such messages and information are reduced to writing or of a routine nature, and do not involve work stoppages, slowdowns, refusal to handle goods or any other interference with the Employer's business.

B. It is expressly understood such stewards have no authority to take strike action, or any other action interrupting the Employer's business, except as authorized by official action of the Union. The Employer recognizes these limitations upon the authority of the stewards, and shall not hold the Union liable for any unauthorized acts. The Employer in so recognizing such limitations shall have the authority to impose proper discipline, including discharge, in the event the shop steward has taken unauthorized strike action, work slowdown or stoppage in violation of this Agreement.

4.3 The business conducted by such stewards shall be accomplished, wherever possible, so as to minimize disruption of work, and a good faith effort shall be made to take up "non-emergency" matters during breaks or at times mutually acceptable to the supervisor and steward involved. The Union may designate one (1) shop steward and an alternate. Where an employee is the subject of an investigation which may lead to discipline, or is to be disciplined, the employee may request and is entitled to a steward's presence.

4.4 The Employer shall provide suitable space for the Union bulletin board in each garage, terminal or place of work. Posting by the Union on such boards are to be confined to official business of the Union.

SECTION 5 - HOURS OF WORK

5.1 Workweek:

A. The regular workweek for payroll purposes shall commence on Monday and run through Sunday. Scheduled workweeks for individual employees may commence on any day of the week. Said schedules will be made up of five (5) consecutive eight (8) hour days or four (4) consecutive ten (10) hour days. Forty (40) hours shall constitute a normal workweek except in the case of a work stoppage or an act of god.

B. Up to 20% of the workforce will be on call. The guarantee will fall under the 80/20 rule. 10% will be guaranteed 40 hours in the seven day period. 10% will not be guaranteed 40 hours. The pay period is from Monday through Sunday.

5.2 Starting Times

The Employer may establish starting times commencing at 12:01 a.m., with the last start time at 11:59 p.m. However, there shall be no more than six (6) start times per day. The Employer shall be allowed two (2) floating start times. These floating start times will be established at the time of annual bid and may not be placed back to back. Float start times may be moved forward or backwards on a daily basis but may not move past another start time. These start times shall be utilized by the Employer to start percenters, laid off employees or supplemental casuals in order to meet train schedules. Moreover, the starting times shall remain constant during any given work week unless it is known by the Employer two (2) hours before a start time that a train will be late. Under those circumstances and if verifiable calls are made to the employees two (2) hours before a designated start time a new start time may be given for that particular shift for that day. The Employer may not utilize overtime on the prior shifts to move a start time.

The Employer may advance an employee's start time up to two hours provided the employee is notified prior to the end of their work shift.

In the event the train is late, the Employer reserves the right to delay an employee's scheduled start time up to three (3) hours, provided that the employee is given at least two (2) hours' notice prior to the start of their originally scheduled shift. This adjustment will be communicated to the employees through the agreed-upon communication channels. Start times will only be delayed once per shift.

5.3 Overtime

A. When post shift overtime is available the Employer will notify employees at least one (1) hour prior to the end of their shift. If the Employer fails to provide timely notice it may not force an employee to accept post shift overtime. All employees shall be paid at the rate of one and one-half (1 1/2) times the regular hourly rate for all work performed in excess of forty (40) hours in any work week and in excess of eight (8) hours in any one (1) day or ten (10) hours, if applicable. Overtime shall be assigned by seniority and qualifications.

B. If employees do not volunteer for post shift overtime, the Employer may assign overtime from the bottom of the seniority list based on the qualifications required. Those employees assigned to overtime shall be required to perform the overtime work for up to four (4) hours on an eight (8) hour schedule or two (2) hours on a ten (10) hour schedule.

If employees do not volunteer for overtime on their sixth (6th) day, the Employer may assign overtime from the bottom of the seniority list based on qualifications required. Those employees assigned to overtime on their sixth (6th) day shall be guaranteed to perform the overtime work for eight (8) hours. Employees forced to work on their sixth (6th) day who are on an eight (8) hour shift will not be forced to work over ten (10) hours. Employees forced to work on their sixth (6th) day who are on a ten (10) hour shift will not be forced to work over twelve (12) hours.

C. Work performed on an employee's sixth (6th) consecutive day will be paid at time and one-half (1 1/2) times the normal rate of pay. Work performed on an employee's seventh (7th) consecutive day will be paid at two (2) times the normal rate of pay.

No employee will be forced to work overtime on their sixth (6th) day more than three (3) times in a calendar month.

D. The order of call for extra work shall be as follows:

1. Percenters with less than 40 hours
2. Replacement Casuals
3. Overtime Employees

4. Employees on make-up days (Broken Guarantee)
5. Laid-Off Employees
6. Supplemental Casuals
7. Double time Employees

*The Employer shall be allowed to replace regular employees on their scheduled days off on a one-for-one basis. Overtime employees shall be utilized after the one-for-one formula.

E. No employee shall work over sixteen (16) hours, including lunch, in one shift.

5.4 Rest Periods and Meals

A. Meal periods shall be either thirty (30) minutes or one (1) hour in length depending on job. Meal periods shall be scheduled between the beginning of the fourth (4) hour and end of the fifth (5) hour while working an eight (8) hour shift. Employees that work through a meal period will be paid for the time worked and will not be required to remain on the clock to receive pay.

In certain jurisdictions, California, employees that work through the required meal break will receive a meal penalty payment per state regulations. Employees that work more than a ten (10) hour day will also be provided a second meal period not less than thirty (30) minutes, except if the total hours worked is no more than twelve (12) hours, the second meal period may be waived by mutual documented consent, as long as the first meal period was not waived.

B. Employees shall be granted two (2) fifteen (15) minute paid breaks each day; the first to be taken approximately equidistance between the start time and meal period, and the second to be taken approximately two (2) hours prior to the conclusion of a shift. The parties understand the nature of the work performed by the Employer is time sensitive, and break times, but not the length thereof, may vary from day to day in relation to train release commitments.

C. The Employer may elect a semi-annual bid to post any or all jobs to be bid as eight (8) straight or ten (10) straight hours with no meal period. In this case, eight (8) hour bids will have two (2) twenty (20) minute paid breaks and ten (10) hour bids will receive two (2) twenty-five (25) minute breaks per shift.

D. Employees who work in excess of ten (10) hours will receive a 3rd break at the tenth (10th) hour.

SECTION 6 - SENIORITY

6.1 Seniority means the total length of service on the Employer's payroll from the time of last hiring.

6.2 Newly hired employees shall not acquire seniority rights until they have been employed by the employer for a period of ninety (90) calendar days. An employee shall, for the ninety (90) day period, be considered a probationary employee and may be terminated by the Employer without recourse by such employee or the Union to the grievance procedure.

6.3 Casual Employees

A casual employee is an individual who is not on the regular seniority roster and is not serving a probationary period.

1. Replacement casuals may be utilized to replace regular employees absent due to illness, vacation, or other absence.

2. A Supplemental casual may be used in accordance with section 5.3D of this Agreement. When an Employer uses casuals to supplement their workforce for sixty (60) workdays in one hundred twenty (120) calendar days, the Employer shall add one (1) probationary employee to the roster.
3. Casual employees will be allowed to work a four hour shift and the employer must provide a weekly casual report of casuals used. All Supplemental Casual hours for the week will be added together and then divided by eight to determine the amount of eight hour supplemental shifts worked in that week. Those shifts will be counted towards the sixty (60) in one hundred and twenty (120) rule for hiring new employees.

Any casual employee, replacement or supplemental, used by the Employer ninety (90) shifts within any one hundred and eighty (180) consecutive days shall be placed into regular seniority without further probation. The employee's seniority date shall be the date of the 60th shift worked.

6.4 Seniority rosters will be posted on the bulletin board showing names and seniority date, and a copy provided to the Union.

6.5 Employees shall be obligated to report any change of address or telephone number to the Employer.

6.6 Seniority breaks

Seniority will be broken by:

1. Discharge for just cause as set forth in Section 12;
2. Voluntary quit;
3. Unreported absence of three (3) working days, unless prevented from doing so due to reasons beyond the control of the employee;
4. Failure to report for work within two (2) days after the expiration of an authorized leave of absence, unless prevented from doing so due to reasons beyond the control of the employee;
5. Failure to report for work upon recall within seven (7) days after the delivery of notice by registered/certified mail to the employee's last known address, unless prevented from doing so due to reasons beyond the control of the employee; proof of mailing shall be sufficient for loss of seniority. However, the Employer shall send the Union by registered/certified mail notice of the recall. Any employee who fails to report for work upon recall shall receive notice of the reasons for their discharge;
6. Layoff or personal sick leave in excess of thirty-six (36) months; and
7. Industrial disability where an employee is drawing pension and/or disability pension.

6.7 Reduction of Forces

If due to slackness of work or other reasons affecting the operation, the Employer deems it necessary to reduce forces, the following steps will be taken to ensure maximum job protection to employees with seniority.

1. The last employee hired shall be the first employee laid off; and in recall, the last employee laid off shall be the first employee recalled, providing, however, that in cases of layoff, the senior employees in the department are capable and qualified to perform the work required.
2. The least senior employee shall be laid off from the job classification.
3. If the laid-off employee is qualified to do the job of a less senior employee, he will replace that employee provided he has more seniority.

6.8 Job Bidding

A. The employer shall maintain eighty percent (80%) of the total jobs as regular scheduled shifts with assigned starting times and workweeks. Such shifts and/or starting times shall be assigned and/or bid by seniority and qualifications. The Employer may continue, based on factual production requirements to determine the number of jobs or positions available for bid and/or assignment within each such seniority classification.

1. Ramp employee classification is intended to be an employee that works the piggyback ramp.

B. The Employer shall have semi-annual bids. Semi-Annual bids will be done the first week in April and the first week in October, bids will be available for review two (2) weeks prior to the bid date. The Employer may change shifts based upon train schedules or other changes effecting the operation, these bids shall be available for review at least seventy-two (72) hours prior to the bid date. Under these circumstances, employees may be allowed to rebid on shifts. Loss due to bidding or displacement is the employee's loss. The Employer shall provide a workweek change over bid sheet to allow employees to work their option days at straight time when changing bids.

C. The Company will be allowed to re-bid all bids upon giving the affected Local Union and employees a two week notice.

D. Any vacancies of a week or more shall be offered to the percent employees as a hold down position by seniority and qualifications.

SECTION 7 - SICK LEAVE

7.1 Any non-probationary employee who has been in the active service of the Employer for a period of one (1) year shall be entitled to five (5) days or forty (40) straight time hours sick leave with pay each contract year.

7.2 Sick leave with pay shall be paid commencing the first (1st) day of absence. Up to five (5) days sick leave may be banked or carried over from year to year. Ten (10) hour bid employees will be allowed to either take five (5) eight (8) hours or four (4) ten (10) hours of sick pay up to forty (40) hours per year.

SECTION 8 - HOLIDAYS

8.1 The following days are recognized as paid holidays for qualified employees:

New Years Day
Memorial Day
Independence Day (4th of July)
Labor Day
Employee's Birthday

*NOTE - Employee must give ten (10) calendar days notice and the day must be agreed upon by the Employer. Personal Holidays may be carried over from year to year and will be cashed out upon separation with the company. Employees shall have the option to be cashed out upon request for any unused Personal Holidays at the end of the calendar year. Effective after ratification of this Agreement newly hired probationary employees who have been in active service of the employer for a period of one (1) year shall be entitled to Personal Holidays as identified in Section 8.1 above.

8.2 Each non-probationary regular employee, as of the date of the holiday, shall receive eight (8) hours pay at the straight time hourly rate, provided the employee worked, or received compensation for, their last regularly scheduled work day preceding the holiday and their first regularly scheduled work day following the holiday. Unless the employee so works, he shall receive no pay for said holiday, unless such absence is expressly permitted by the Employer or is due to verifiable illness or injury. However, employees who are off due to on-the-job injury for more than six (6) months are not eligible. Laid-off employees must work ten (10) days in the month the holiday falls to qualify for holiday pay.

8.3 Hours worked by employees on the above holidays, or those being recognized, shall be computed at the rate of one and one half times (1 ½) the employee's regular hourly rate of pay, plus holiday pay. Work performed in

excess of eight (8) hours on a holiday will be compensated at two times the employee's regular hourly rate of pay for employees on eight (8) hour schedules. Employees working ten (10) hour schedules will be compensated at two times the employee's regular hourly rate of pay for work in excess of ten (10) hours on a holiday. When a holiday occurs during an employee's vacation, they shall be paid for the unworked holiday in addition to their vacation pay. When a holiday falls on Sunday, the following Monday will be observed as the holiday except for Christmas Day and New Year's Day.

SECTION 9 - HEALTH AND WELFARE ELIGIBILITY FOR BENEFITS

A "Regular Active" employee, for purposes of the Agreement, shall be any employee who has completed their thirty (30) day trial basis with the Employer and who has been placed on the regular seniority list.

ADDENDUM "A" Rail Terminal Services and Teamsters Local 222

This Addendum is supplemental to Section 9 Health and Welfare in the Labor Agreement entered into between the parties for the period April 1, 2025 through March 31, 2028.

The Employer understands that because it has entered into the Utah-Idaho Teamsters Security Fund as a participating Employer as of January 1, 1996 that this participation has created a complete withdrawal from the Western Teamsters Welfare Trust and the related active employees' and retirees' benefit plans.

Because the Western Conference of Teamsters Welfare Trust has a regulation that requires the individual retirees which remain under the Western Conference of Teamsters Welfare Trust after the Employer's withdrawal to have a higher monthly self-payment of retirees' contributions than that being paid by those retirees whose Employers are still actively participating under the Western Teamsters Welfare Trust. Accordingly, the monthly additional contribution that will be required of the fourteen (14) retirees of the Employer who had retired prior to January 1, 1996 will amount to the following increases based on the current and/or future age of each retiree and/or spouse as follows:

	Self-Payment under Western Teamsters Welfare Trust prior to withdrawal of Employer	Increased Self-Payment under Western Teamsters Welfare Trust on or after January 1, 1996	Difference
--	---	---	------------

All rates are for
employee and
spouse individually

1. Age 65 and over	\$20.00	\$65.00	\$45.00
--------------------	---------	---------	---------

The Employer agrees to directly reimburse each eligible retiree including the spouse of each eligible retiree the applicable \$40.00 or \$45.00 each month per person. These are fixed amounts and are not subject to being increased at any time in the future for any reason.

It is understood and agreed that the foregoing direct reimbursement formula only applies to those retirees who are remaining covered under the Western Teamsters Welfare Trust, a listing of which are attached as "Addendum A-1". Upon the death or ineligibility of each spouse, there shall be a proportionate reduction in the monthly supplement

being paid by the Employer. Upon the death of a retiree, all direct reimbursements shall cease on the first day of the month next following the month of death.

LOCAL 439

Local 439 to remain under the Northern California Teamsters Security Trust Fund Select Plus Plan with full Maintenance of Benefits. In the event the premium for the Select Plus Plan sustains an increase in excess of eight percent (8%) in any plan year, Local 439 and the Employer agree to meet to discuss economic items to address monies in excess of the eight percent (8%). The Employer will continue to pay the Kaiser option payment for Steve Tucker. Any employee electing the Kaiser option effective April 1, 2012 will pay the difference for the higher premium.

The Employer agrees to execute any required subscriber agreement with the Trust Fund and agrees to contribute on behalf of each employee who receives eighty (80) hours of compensation or more in a calendar month in which a contribution is made.

10.2 Vacation pay shall be calculated on the basis of one-fifty-second (1/52) of the last twelve (12) months (immediately preceding the employees seniority date), earnings or forty (40) hours pay; whichever is greater. Full vacation entitlement shall be attained with one thousand two hundred fifty (1,250) straight time hours worked from the last seniority date. For employees with less than one thousand two hundred fifty (1,250) hours worked, they shall be entitled to pro-rated vacation as follows:

0 - 400 hours:	No vacation pay;
400 - 699 hours:	One-quarter (1/4) vacation pay;
699 - 999 hours:	One-half (1/2) vacation pay;
999 - 1249 hours:	Three-quarters (3/4) vacation pay.

In the event an employees' prorated vacation is less than one hundred (\$100) dollars for each week of vacation entitlement because earnings during the vacation qualifying year were reduced due to a long term layoff or illness

The Employer shall inform the employee seven (7) days in advance of the day selected if they are going to receive the day off. If the Employer fails to inform the employee on the seventh (7th) day then the day shall be considered approved.
- b. In the event there is more than one (1) request for an incremental vacation day on the same day, granting of this day shall be on a seniority basis. The Employer may grant more than one (1) request on the same day based on its operational requirements.

There shall be no accumulation of earned vacation time or pay from one year to the next. Where an employee gives at least two (2) weeks advance notice of an intent to take a vacation, the employee shall be paid their vacation pay prior to the scheduled vacation period.

10.4 The Company will allow a minimum of 15% of the employees off for vacations.

10.5 Where there are conflicts in scheduling vacations, seniority will prevail. In arranging vacations, the Employer will give equal consideration to the employee's preferences and to operating needs as to when a vacation may be scheduled.

10.6 In instances where employees who became members of the armed forces of the United States return to the Employer's service, their length of time in the armed forces will be credited as qualifying service in determining the length of vacation for which they may qualify upon their return to employment with the Employer.

10.7 At Termination or Death

A. If an employee's employment status is terminated for any reason whatsoever, they shall at the time of such termination be granted full vacation pay earned in the preceding year if the employee has qualified therefore under section 10.2.

B. If an employee thus entitled to vacation or vacation pay shall die, the vacation pay earned and not received shall be paid to such beneficiary as may have been designated, or in the absence of such designation, the surviving spouse or children or their estate, in that order of preference.

The Union and the employees agree while this Agreement is in effect, they will not engage in or in any way encourage or sanction any strike, sympathy strike, sit-down, boycott, slowdown, secondary boycott, or any picketing, and they will take all available steps to stop any such activity if it occurs.

11.2 In the event employees are disciplined for engaging in a strike, sympathy strike, sit-down, boycott, slowdown, secondary boycott, or any picketing in violation of this Agreement, the only issue to be submitted before an arbitrator is whether the no-strike clause was violated. Accordingly, once the arbitrator determines a violation occurred, he may not inquire into the basis for the particular discipline imposed.

11.3 Picket Lines: Sympathetic Action

It shall not be a violation of this Agreement and it shall not be cause for discharge, disciplinary action or permanent replacement in the event an employee refuses to enter upon any property involved in a primary labor dispute, or refuses to go through or work behind any primary picket line, including those of Unions party to this Agreement and those at the Employer's places of business.

11.4 Struck Goods

It shall not be a violation of this Agreement and it shall not be cause for discharge, disciplinary action or permanent replacement if any employee refuses to perform any service which their Employer undertakes to perform as any ally of an Employer or person whose employees are on strike and which service, but for such strikes, would be performed by the employees of the Employer or person on strike.

SECTION 12 - DISCHARGE AND SUSPENSION

If the employee continues to refuse to follow the order they shall be issued a written warning letter advising that continued refusal shall be considered as a voluntary termination and removal from the seniority list and shall further be advised they is given a fifteen minute "cooling off" period to discuss this issue with their Union Representative, and if a representative is not available another bargaining unit employee who is available.

At the conclusion of this cooling off period, if the employee continues to refuse the direct order, they shall be considered as having voluntarily terminated their employment and their name shall be removed from the seniority list.

Further, in cases where dishonesty is involved, the discharge or suspension notice must be within twenty (20) calendar days of the Employer obtaining verifiable evidence of the alleged dishonesty. Except in cases involving one of the "cardinal" infractions set forth in 12.1 above, an employee who is subject to being suspended shall be allowed to remain on the job until such time as the notice of suspension is sustained under the grievance procedure.

12.5 Warning notices, suspensions or discharges must be protested in writing to the Employer within ten (10) days exclusive of Saturday, Sunday and holidays except as hereinafter provided. The Union and Employer agree all warning letters shall be considered as automatically protested and shall not be heard until such time as they are used as a basis for suspension or discharge within the effective time period.

SECTION 13 - ADJUSTMENT OF GRIEVANCES AND DISPUTES
